## Foreword

My very dear brothers and sisters,

*“Sing and rejoice,  
O daughter of Zion!  
For behold, I am coming,  
and I will dwell in your  
midst,” says the Lord.*

*Zechariah 2, 10*

I wish you a most happy and blessed Christmas and a peaceful start into the New Year.

The prophet Zechariah encouraged the people to “sing and rejoice”. Despite difficult circumstances some of our brethren have to pass through, we should try and

do the same at this festive time of the year. There is evidence that singing is good for us as it can lower stress, help our lung function and our memory, and builds a sense of community when we sing together. I hope that during the festive season you will have an opportunity to sing some of our lovely Christmas carols and hymns in the congregation. For those who can only attend divine services online, you may want to turn the volume up when the congregation is singing and join in from home.

We have good reason for singing and rejoicing as we have much to look forward to even if we have cares and concerns. The source of our joy is our expectation that the Lord is coming and just as the promise of the Messiah was realised in the birth of Jesus, so the promise of His return will also be fulfilled. Let us be glad and rejoice in this.

We have a special event to look forward to in 2023. On Sunday 17<sup>th</sup> September our District Apostle will hold a divine service for the whole of the UK. This will take place at our usual venue of the East Midlands Conference, Nottingham. In this divine service our Bishop David Middleton will be placed into a well-earned retirement having served as a minister for 49 years and as our Bishop for 20 years. Further details will follow in due course.

With love and greetings

David Heynes

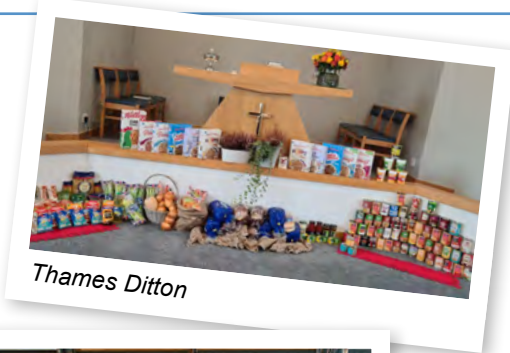

# Fellowship Thanksgiving In Waterford

After 5 years of no services at Waterford due to members moving away we can truly say: Thank You! Thank You Lord for giving us a reason to open the congregation again. What a privilege it is to be able to get communion and be served by God's servants. On 23<sup>rd</sup> October 2022 we had our Thanksgiving Service taken by Priest Denzil Jacob's and Priest Francis O'Brien from the book of Psalm 145: 2-3 we were taught about our God's love and took us on a little journey

into our heavenly Father's heart. We heard about the 3 Omni's. We cannot hide our mistakes from GOD as HE knows ALL and should not be ashamed to serve HIM. We invited some guests to the service, a total of 8 accepted the invitation to come and hear the Holy teachings. After service we had some refreshments & fellowship which was awesome as we only have church one Sunday a month. We packed up all the donations of food we brought and donated it to the St Joseph's retirement home in Waterford (Ferrybank) we were welcomed and took a few photos and we left with a heart full of joy and happiness. Waterford is a very warm loving & caring congregation. ■
