Foreword

Dear sisters and brothers,

I greet you and hope you are all enjoying spring, a beautiful season of growth and development.

You are not a human being on a spiritual journey, but a spiritual being on a human journey.

Embrace today by realizing that your inner state, not outer circumstances, dictates your peace. Focus on cultivating kindness and awareness, for you are made good, and your thoughts are seeds that shape your reality.

With love

Neil Woodman

Chief Apostle Helper Visits Ireland

On Sunday, 8 March 2026, the small town of Trim, County Meath, became the centre of a profound spiritual experience for the New Apostolic Church in Ireland and beyond. The visit of Chief Apostle Helper Helge Mutschler marked a significant milestone for a region that has seen remarkable growth and resilience over the decades.

The service, based on the moving dialogue between Jesus and the criminals at Golgotha (Luke 23:42–43), provided a roadmap for modern faith, emphasizing the power of the 'today' and the nearness of Christ in our brokenness. ■

Youth Activities

Corby Youth service

The Corby youth enjoyed a service with a difference on the 22nd of March 2026. In the service, the youth were split into 3 groups, and each group was given a topic in relation to an aspect of the service to go and discuss for 5 minutes. They then got a chance to present the points they came up with in front of the congregation, after which Priest Elvis continued the service, incorporating the points from the youth in the sermon. After a meal of beef chilli, rice, pizza, cake and other treats, it was time for a walk at the nearby east Carlton Country Park. That concluded the day and you could not help but get the feeling that as we bade farewell in the car park, the day had ended too soon for most. ■

Youth Activities

Birmingham Youth Service

On Sunday 12 April, the Evangelist Gary Heynes conducted a service in Birmingham for the youth in the West District. The London youth band and Leicester congregation youth were also invited. The day was preceded with the youth cleaning the church on the Saturday and having

a short choir practice. On the Sunday, after the service the youth played various games including darts, table tennis, Jenga etc. There was also a short interactive session about relationships facilitated by Priest Boyes where the young people could ask questions and learn about

different elements of a relationship. Thereafter, the youth went to sing at the Birmingham hospice bringing joy to those in need of upliftment. ■

CHILDREN'S CORNER

Jesus was alive again! He stayed on Earth for 40 more days. He talked to people. He ate with them. More than 500 people saw Jesus. They knew He was truly alive again. Then the Lord Jesus went back to Heaven. Since Jesus is God, He can be everywhere at once. Even though you can't see Him, Jesus is here too. In the Bible Jesus says, "I am with you always, to the very end of the age" (*Matthew 28:20*).
